

Academic Council

The Academic Council is the highest academic body of the college and is responsible for laying down, regulating and maintaining the standards of teaching, research and examinations in the college. It consists of the Principal as its Chairperson, all the Directors, Deans, Heads of Department and faculty members of different levels.

Functions and Responsibilities

Frame regulations for conduct of the courses, instructional methods, examinations and initiate measures for improving quality of teaching, methods of evaluation of student's performance and student advisory programme in the institute.

- Facilitating a conducive learning environment for completing academic programs.
- Monitoring the functioning of the Central Library and research activities of the institution.
- Collaborating with other academic institutes and industry to create an encouraging environment in order to develop placement, training and entrepreneurship.
- Appointing a review committee to review all the academic activities, including the curricula, academic rules and regulations and acting on its recommendations.
- Planning and executing the overall academic growth of the college including and making suggestions to the Governing Council.
